KIRBY GROVE

To our Neighbors, Partners and Friends,

From all of us at Midway, we hope you and your loved ones are healthy and safe.

Today's headlines and the personal realities we are all experiencing are extremely challenging – we are in unprecedented times and are committed to helping our communities and individuals in need, and sharing ways that we all can make an impact.

Midway's Purpose has always been to create enduring investments and remarkable places that enrich people's lives. In our response to this life-changing crisis, we are taking every step to be sure Midway's investments continue to provide accessible resources to the public. As we follow the directives government officials and our medical experts have advised, we know going outside, taking walks and enjoying fresh air are healthy practices as long as we continue to observe social distancing.

While you may not be able to partake in usual activities, it's important to support our local businesses, so we encourage you to visit our retailers online and order to-go or delivery from our restaurants.

We are all in this together and will get through it together. In the meantime, take care of yourselves and take care of each other.

With sincerest gratitude,

MIDWAY
